Before you set up... Do you have a Junction Box?

If you aren't replacing a current light fixture, you may not have the wiring setup you need.

Risk of electrical shock!

Remember to disconnect power to your junction box using the fuse or circuit breaker.

If not, please contact a licensed electrician to install one, following your local building codes.

Let's get started

STEP 1: Download the Roku Smart Home app

Scan the QR code below to download the Roku Smart Home app on your smartphone. Sign in with your Roku account or create one.

Message & data rates may apply.

STEP 2: Install your floodlight

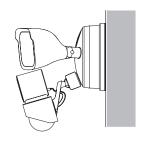

In the Roku Smart Home app, tap the "+" button, then "Add Device" to find "Floodlight Camera." Follow the instructions to finish setup.

What's that light mean?

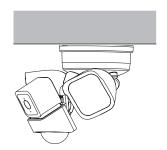

Status Light	Status
RED - Solid	Powered on and beginning setup
RED - Flashing	Ready to connect
RED and BLUE - Flashing	Connecting to Wi-Fi®
BLUE - Flashing	Connected and finishing setup
BLUE - Solid	Connected and working

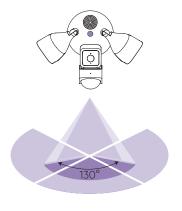

Mounting options

WALL MOUNT

CEILING MOUNT

CAMERA FIELD OF VIEW 130°

MOTION AREA FOR TRIGGERING THE LIGHTS 270°

Recommended location

We recommend installing your floodlight 10 feet above the ground. It will detect motion up to 30 feet away.

More features are waiting
