Let's get started

STEP 1: Download the Roku Smart Home app

Scan the QR code below to download the Roku Smart Home app on your smartphone. Sign in with your Roku account or create one.

Messaging & data rates may apply.

Continue on back 

STEP 2: Install your camera

In the Roku Smart Home app, tap the “+” button, then “Add Device” to find “Indoor Camera.” Follow the instructions to finish setup.

What’s that light mean?

| During setup | Status |
|---------------------------------------|--------------------------------|
| RED - Solid | Powered on and beginning setup |
| RED - Flashing | Ready to connect |
| RED and BLUE - Flashing | Connecting to Wi-Fi® |
| BLUE - Flashing | Connected and finishing setup |

| After setup | Status |
|-------------------------------|--|
| RED - Solid | Viewing live stream or recording in progress |
| RED - Quickly flashing | Siren in use |
| BLUE - Solid | Connected and working |

More features are waiting
